Contribution of grain. Did you know that a farmer can realize a tax benefit by gifting grain directly to The Way? To make the gift, grain is transferred to The Way's name when delivered to the elevator or if the grain is in storage, by instructing elevator personnel to transfer the grain to The Way's name. The tax benefit is from not recognizing income on the sale of the grain. Contact Tricia Groves: 641-792-7300 for more information.
